Australia Day Paddle Byron 2017

Introduction

The mission of the National Australia Day Council (NADC) is to help build national pride. For the period of this annual report we have continued to do this through our key programs – Australia Day and the Australian of the Year Awards. In addition, we have supported active citizenship through our support for the promotion of the Australian Citizenship Affirmation and the creation of new pilot programs - a leadership program for secondary schools and speaker series around the country exploring Australian values and belonging.

Australia Day

- Australia Day continues to be hugely popular with over 13 million people doing something specifically to mark the day and three in four people believing it has a bigger meaning beyond just a day off.
- On Australia Day people celebrate all the things we love about Australia: our land, sense of fair go, lifestyle, democracy, the freedoms we enjoy and, particularly, our people.
- Australia Day is a time to come together to celebrate the values that we all share as the Australian community.
- Australia Day means something different to everyone. It is important that all Australians participate in a way that is right for them and that we all respect their differing views.
- We aspire to an Australia Day that can increasingly include a recognition and celebration by all Australians of the importance of Aboriginal and Torres Strait Islanders as the traditional custodians of our beautiful lands and waterways, and their centrality to the great Australian story.

Australian of the Year Awards

- From the thousands of people nominated around the country we recognised 128 Australians (16 people in each state and territory) for their outstanding achievements.
- From these 32 were selected to represent their state or territory in the national Australian of the Year Awards.
- These people all exemplified perseverance, drive and commitment to their particular endeavour.
- And then, on 25 January the contributions of our four Australians of the Year were announced – Emeritus Professor Alan Mackay-Sim, Sister Anne Gardiner, Paul Vassilef and Vicky Jellie.
- Through sheer determination and exceptional ability, each recipient has contributed to shaping a better Australia for us all.
- The achievements of the four Australians of the Year have now become a part of our great Australian story – a reminder of the values we hold dear.

About us

The core mission of the National Australia Day Council (NADC) is to actively promote our national day to all Australians, to inspire national pride and increase participation and engagement across all sectors of the community.

The NADC is a not-for-profit, government-owned company based in Canberra. With the NADC, the Australia Day National Network (Network), an affiliate group of state and territory organisations, helps facilitate the celebration of Australia Day and being Australian, and recognises inspirational Australians through the Australian of the Year Awards.

Our strategic focus areas

Meaning:

Through a range of initiatives and programs we promote the meaning of Australia Day by encouraging Australians to reflect, discuss and debate what it means to be Australian.

Participation:

We promote active citizenship and encourage Australians to participate in celebrations and other activities focused on and around Australia Day.

Recognition:

The contributions and outstanding service to the community that many Australians make are recognised and shared through the Australian of the Year Awards and the Australia Day Ambassador Program.

Our history

The National Australia Day Committee was established in 1979 with a vision to make future Australia Day celebrations 'truly national and Australia-wide'. In 1984 the Committee became the National Australia Day Council, and two major dates since then – Australia's Bicentenary in 1988 and the Centenary of Federation in 2001 – shaped today's focus on encouraging Australians to participate in, and reflect on the meaning of Australia Day.

The NADC sits within the Prime Minister's portfolio responsibilities and has a close working relationship with the Department of the Prime Minister and Cabinet. The NADC reports to the Commonwealth Parliament under the provisions of the Public Governance, Performance and Accountability Act 2013 and the operations of the company are overseen by a board of directors appointed by the Prime Minister.

Governance structure

The NADC's corporate governance framework is designed to ensure the NADC achieves its organisational objectives in a transparent, accountable and efficient way.

The NADC is a not-for-profit government-owned company, within the Prime Minister's portfolio responsibilities. It is the coordinating body for Australia Day celebrations across the nation and for the Australian of the Year Awards.

NADC has a good working relationship with the Department of the Prime Minister and Cabinet (DPMC) and reports to the Commonwealth Parliament under the provisions of the Public Governance, Performance and Accountability Act 2013 (PGPA Act).

The NADC heads a network of eight state and territory Australia Day affiliate organisations and more than 700 local Australia Day committees. The Australia Day National Network Strategic Plan 2014-17 sets out the purpose, values and priorities of the network so that each organisation can implement even stronger programs, both nationally and individually, in their jurisdictions. We meet regularly with representatives from the network and the NADC Chair meets annually with the chairs of the various state and territory councils.

NADC organisational structure

NADC Board

The operations of the company are overseen by a board of directors appointed by the Prime Minister. The Board of Directors is responsible for the overall corporate governance and successful operation of the NADC and is accountable to the Hon Senator the Hon James McGrath, Assistant Minister to the Prime Minister.

In addition to the requirements of the Corporations Act 2001 and the PGPA the NADC Board is governed by the Organisation's Constitution and the NADC Board Charter.

At 30 June 2017, the NADC Board comprised nine non-executive directors, including a non-executive Chairperson.

Details of the Directors and the Company Secretary are included in the Director's report of this Annual Report.

Audit and Assurance Committee

The Audit and Assurance committee assists the Board to effectively exercise its functions.

The Board established the NADC Audit and Assurance committee in compliance with subsection 92 of the PGPA and section 17 of the PGPA Rule 2014. The committee's key activities during 2016-17 included:

- Overseeing the financial performance of the NADC including a review of the budget and financial statements.
- Considering the 2016-2017 Corporate Plan

Company Constitution

There were no changes to the NADC Constitution in 2016-17.

Board Charter

The NADC Board Charter describes the roles and responsibilities of directors and management. It brings all relevant legislative and other requirements into a single document.

The Board Charter will be reviewed during 2017-18.

Conflicts of Interest

Directors are required to advise the Board of any interest that could potentially conflict with NADC's interests

Fraud Control

Consistent with the PGPA Rule 2014 and in line with the Charter for the Audit and Assurance committee, NADC management conducts fraud risk assessments.

The NADC Business Risk and Fraud Control register is reviewed at least on an annual basis. No instances of fraud were detected during the reporting year.

Risk Management

In the pursuit of its purpose and functions, the NADC operates in a commercial environment and many of its events expose the organisation to higher risks than other government organisations.

NADC staff actively manage risk in their day-to-day work to ensure that we meet our objectives and that our events are safe for all who are involved or attend.

A comprehensive risk assessment is undertaken on all events by the NADC.

An annual review of our strategic and operational risks is undertaken.

NATIONAL AUSTRALIA DAY COUNCIL LIMITED FINANCIAL REPORT 2016-17 AUDITOR'S INDEPENDENCE DECLARATION

In relation to my audit of the financial report of the National Australia Day Council Limited for the year ended 30 June 2017, to the best of my knowledge and belief, there have been:

- (i) no contraventions of the auditor independence requirements of the *Corporations Act 2001*; and
- (ii) no contravention of any applicable code of professional conduct.

Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

To the members of the National Australia Day Council Limited

Opinion

In my opinion, the financial report of the National Australia Day Council Limited for the year ended 30 June 2017 is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the National Australia Day Council Limited's financial position as at 30 June 2017 and of its performance for the year then ended; and
- (b) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

The financial report of the National Australia Day Council Limited, which I have audited, comprises the following statements as at 30 June 2017 and for the year then ended:

- Directors' Declaration;
- Statement of Profit or Loss and Other Comprehensive Income;
- Statement of Financial Position;
- Statement of Changes in Equity;
- Statement of Cashflows; and
- Notes to the financial statements, comprising a Summary of Significant Accounting Policies and other explanatory information.

Basis for Opinion

I conducted my audit in accordance with the Australian National Audit Office Auditing Standards, which incorporate the Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of National Australia Day Council Limited in accordance with the *Corporations Act 2001* and the relevant ethical requirements for financial report audits conducted by the Auditor-General and his delegates. These include the relevant independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* to the extent that they are not in conflict with the *Auditor-General Act 1997* (the Code). I have also fulfilled my other responsibilities in accordance with the Code.

I confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the National Australia Day Council Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Directors' Responsibility for the Financial Report

The directors of the National Australia Day Council Limited are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the National Australia Day Council Limited's ability to continue as a going concern, disclosing matters related to going concern as applicable and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

My objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance

with the Australian National Audit Office Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian National Audit Office Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the directors with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Directors' Declaration

In the opinion of the directors of the National Australia Day Council Limited:

- a. The financial statements and notes, set out in the 2016-17 Annual Report are in accordance with the Corporations Act 2001, including:
 - i. Giving a true and fair view of the financial position of the Company as at 30 June 2017 and performance, as represented by the results and cash flows, for the year ended on that date; and
 - ii. Complying with the Australian Accounting Standards, including Australian Accounting Interpretations and the Corporations Regulations 2011; and
- b. There were reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Notes to the Financial Statements for the year ended 30 June 2017

1. Basis of Preparation

a) Statement of Compliance

These financial statements have been prepared in accordance with the *Corporations Act 2001* and with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations.

Adoption of new Australian Accounting Standard requirements

No accounting standard has been adopted earlier than the application date as stated in the standard.

b) Basis of Preparation

These financial statements have been prepared on the historical cost basis. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

c) Use of Estimates and Judgements

In the application of the NADC's accounting policies, management is required to make judgements, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised and the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

d) Prior Year Adjustments

For the 2015-16 financial year, adjustments were made due to a restatement of revenue for a change in the recognition of Sponsorship Income received. Refer to the account policy disclosure note at 2 (c) and the adjustment in the table below.

	2016	Adjustment	Restated 2016
Schedule of Comprehensive Income			
Sponsorship, in cash	2,597,194	(77,038)	2,520,156
Schedule of Assets and Liabilities			
Revenue in Advance	572,871	77,038	649,909

2. Summary of Significant Accounting Policies

a) Plant and Equipment

Plant and equipment are stated at cost less accumulated depreciation and impairment. Cost is deemed to approximate the fair value of the assets and includes expenditure that is directly attributable to the acquisition of the item.

The gain or loss arising on disposal or retirement of an item of plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of comprehensive income.

b) Depreciation

Depreciation is calculated using the straight-line method so as to write off the cost of each non-current asset over its expected useful life. Additions are depreciated from the date of acquisition.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Plant and equipment	10-100%

c) Revenue

Revenue is measured at the fair value of the consideration received or receivable. Commonwealth Department grants are recognised in the year received in accordance with the funding agreements. Government and corporate sponsorships in cash and in-kind are recognised upon the delivery of the services to the customers. Revenue from the sales of goods is recognised when control has passed to the buyer. Interest revenue is recognised on an accrual basis using the effective interest method.

Whilst there is no change to this policy, there has been a reassessment of the application of the policy in light of the NADC obligations under certain contracts and with consideration to AASB 15 para 22. This has resulted in sponsorship of \$318,270 received in May 2017 being recognised as Revenue in Advance, with the fulfilment of NADC contractual obligations being performed in 2017/2018 as it relates to the January 2018 Australian of the Year awards.

d) Inventory

Inventories are valued at the lower of cost and net realisable value.

e) Employee Entitlements

Provision is made for the company's liability for employee entitlements arising from services rendered by employees to balance date. Salaries and wages and annual leave entitlements are expected to be settled within one year, where balances are under five weeks. Long service leave entitlements are not to be settled within one year, unless seven years service has been achieved. Contributions are made by the NADC to employee superannuation funds are charged as expenses when incurred.

f) Taxation

The NADC is endorsed by the Australian Taxation Office to access the following tax concessions:

- > Income tax exemption from 1 July 2000 under Subdivision 50-B of the *Income Tax Assessment Act 1997*.
- > GST concessions from 1 July 2005 under Division 176 of *A New Tax System (Goods and Services Tax) Act 1999*.
- > FBT rebate from 1 July 2005 under section 123F of the *Fringe Benefits Tax Assessment Act 1986*.

	Note	2017 \$	2016 \$
--	------	------------	------------

g) Cash

Cash includes cash on hand and on deposit with financial institutions and are stated at their nominal value.

h) Financial Assets

Loans and Receivables

Trade receivables, loans and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. They are included in current assets, except for maturities greater than 12 months after the balance sheet date. These are classified as non-current assets.

Impairment of financial assets

At each reporting date, the NADC reviews the carrying amounts of its assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss.

i) Goods and Services Tax (GST)

Revenues, expenses, liabilities and assets are recognised net of the amount of goods and services tax (GST), except;

- i. Where the amount of GST incurred is not recoverable from the taxation authority it is recognised as part of the cost of acquisition of an asset or as part of an item of expense; or
- ii. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payable.

Cash flows are included in the Statement of Cash Flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

3. Members' Guarantee

The NADC is limited by guarantee. If the company is wound up, the constitution states that each member is required to contribute a maximum of \$100 towards meeting any outstanding obligations of the company. As at 30 June 2017 the Commonwealth is the sole member of the NADC.

In relation to the Retained Earnings, it should be noted that Clause 1.4 Restriction on application of profits of the company's constitution provides that: "subject to Rule 1.5, all profits (if any) and other income and property of the NADC must be applied in promoting the Objects and no part of them may be paid, directly or indirectly, by way of dividend, bonus, fee or otherwise, to Members or Directors.

Financial Risk Management

Credit Risk

NADC is exposed to minimal credit risk. The maximum exposure to credit risk is the risk that arises from potential default of a debtor. This amount is equal to the total amount of receivables (2017: \$14,163, 2016: \$357,542).

Liquidity Risk

NADC's financial liabilities are payables and revenue in advance. The exposure to liquidity risk is based on the notion that the NADC will encounter difficulty in meeting its obligations associated with financial liabilities. This is highly unlikely due to the term deposits held to meet these obligations.

Market Risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. NADC has exposure to interest rate risk arising from fluctuations in interest rates applicable to cash and term deposits.

NADC manages interest rate risk by ensuring that investments mature commensurate with cash flow requirements to minimise repricing risk arising from changes in interest rates.

If interest rates had been 50 basis points higher/lower and all other variables were held constant NADC's profit for the year ended 30 June 2017 would increase/decrease by \$11,981 (2016: increase/decrease by \$8,142).

23. Contingent Liabilities/Assets

There are no contingent liabilities or assets at 30 June 2017 (2016: nil).

There are no remote or unquantifiable contingent liabilities or assets at 30 June 2017 (2016: nil).

24. Events Occurring After Balance Date

Since the end of the financial year, the Directors are not aware of any matter or circumstance not otherwise dealt with in the accounts that have significantly or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in subsequent financial years.
