RSL QLD Branch	Louise Swanborough, RSL QLD State Office	Individual Awards Louise Swanborough is the Manager Membership Services RSL Queensland. Louise arrived at RSL Queensland in 2021 to take over responsibility for membership management. She found that the membership management system (MMS) needed attention. There was limited data integrity and MMS was difficult to use, requiring multiple clicks for routine actions. Some members were incorrectly marked as being financially up-to-date, and RSL Queensland had lost contact with around 1000 members, attracting unnecessary capitation fees. By identifying these issues, and nurturing collaborative relationships between memberships, marketing and the CRM team, Louise was able to incorporate constant incremental changes to MMS that today is a much more efficient system, saving money and time. This collaboration has also improved the renewal of memberships process from 85% to over 90% with a smoother uptake and the highest number of members ever renewing. Two collaborative successes this year for her were the introduction of a streamlined method of membership reporting that has resulted in accurate data being available to RSL Queensland and the Districts. Previously the reports required manual intervention. As well, the implementation of a system to send text messages directly to members from within MMS is a great achievement. In 2021 training in MMS was ad hoc. Louise set up a training pilot involving Brisbane North District and her MMS staff. The pilot was successful, and the training has since been rolled out to all Districts, both face-to-face and virtual, being a valuable touch point between RSL Queensland and the Districts and Sub-Branches. A significant achievement was bringing RSL Western Australia on board to MMS with a custom-created interface. Louise contributed by liaising closely with the RSL Western Australia staff to incorporate their unique requirements and to train them. Other improvements included setting up procedures to manage the efficient processing of RSL awards. Over three years, Louise has made an excellent contribution to membership management and is acknowledged throughout RSL Queensland as the subject matter expert in all matters memberships, well-deserving the recognition this award brings.

	Bev & Clyde Slack, Macclesfield Sub-Branch	Since both joining the Macclesfield Sub-Branch in October 2002 both Bev and Clyde have contributed an enormous amount of time and effort to the Social side of the Sub-Branch. The two of them have become well known and respective leaders of the Sub-Branch Social and Organisational side of the business and are the go-to persons before any finalisation of planning for Social Events are concluded. Since their involvement, membership of our Sub-Branch has increased by over 400% as the Sub-Branch strives to offer its existing membership within our Charter meaningful activities and to further entice those potential local members into the RSL. Bev's contribution to this effort has been pivotal. In 2014, Bev was awarded a Certificate of Appreciation by the RSL and was Awarded Affiliate of the year in 2016. In 2022, Bev was awarded the 2022 District Council of Mount Barker Local Citizen of the Year. In 2023 Bev was awarded Life Affiliate Membership of the League. Bev has been involved in the Macclesfield Community Association for many years, (she is the one who organises the catering and is responsible for the ANF being lowered when residents pass away!). She has also been involved with Macclesfield Primary School, Anglican Church of Macclesfield, Macclesfield Cricket Club, and Macclesfield Pre School. Clyde was elected Treasurer two years after joining in 2004, a position he has held since (21 years). Clyde has instigated many of the fund-raising activities since joining, including being the Bar Manager. In recent years, he has also been a prominent member of the Anzac Memorial Gardens Team. Mr Slack has featured on Local Government advertising, in which the role of the RSL and in particular the Macclesfield Sub-Branch was detailed. Mr Slack is involved in many of the Community Organisations around the township of Macclesfield, including the local Anglican Church (acting as Cemetery Curator), Macclesfield Community Association, Macclesfield Cricket, plus in the past the Hills Walking Club.

	Marlene Curyer (86) and Margaret Peterson (93), West Croydon Kilkenny Sub-Branch	Marlene and Margaret have been selling raffle tickets every Friday night for the last 27 years! They are both very proud of their age and are more than happy for anyone to know just how old they are, and how long they have been involved. Every Friday night, they arrive at 1700, sell tickets at the door until 1830, when they move to the middle of the hall, spin the wheel, (which is labelled “M & M’s” Wheel), greet the winners with beaming smiles, write their names and winning numbers on the white board, and present them with their prize, only to come back next week to do it all again. These two ladies are indefatigable. They have served as committee members, and, while it existed, the Ladies Auxiliary. They were both very involved with the Legacy Widows group who met at our Sub-Branch for many years until 2021, when COVID and the advancing years and declining numbers forced them to disband.

	Brent Clyne, Seaford RSL	Individual Awards Vietnam veteran, Brent Clyne, has volunteered with the Returned & Services League (RSL) in Victoria since 1994. Over the past 30 years, Brent has held many roles, including President of the Frankston RSL Sub-Branch and currently Secretary of the Seaford RSL Sub-Branch; however, his main passion has always been veteran wellbeing. Brent's journey post-Vietnam was not an easy one, but with the help of family and his medical team, Brent was able to turn his life around. His ability to channel his own personal experiences to help other veterans has been a very successful tool. A strong veteran advocate, Brent represented veterans of the Mornington Peninsula on numerous RSL Vic and Regional Committees along with his 'daily work' in supporting individual veterans in Frankston, Seaford and surrounding areas. Part of Brent's dedicated volunteering efforts include the hundreds of RSL funeral tributes he has delivered over the years. Brent's commitment as a volunteer serving the veteran community has been, and continues to be, unwavering. There are too many examples of Brent putting the needs of other veterans ahead of his own, which is why we are so pleased to nominate Brent for this award.
RSL WA	John William Rolfe, North Beach	Individual Awards John Rolfe is a passionate advocate for veterans in Western Australia and has been a very successful Sub-Branch President for years. He is a mentor, a hard worker and has a can-do attitude. He has been a valuable member of WAVAC and as Vice Chair has seamlessly stepped in to represent the state on NVAC when required. During John's 6 years as President of the North Beach RSL Sub-Branch he was voted in by its members unopposed in 2018 and again in 2021. John increased its membership and introduced the Tour of Duty for its members which improved comradeship and mateship. This was a great initiative. When John was President, the Sub-Branch was awarded the Newdegate Cup for best overall Sub-Branch in the State from 2019 - 2021 and again in 2023. John is to be commended for his outstanding service and commitment to RSLWA and his fellow veterans.
	Anne Stedman, Brookton	Individual Awards Anne Stedman has a long family association with the Brookton Sub-branch. Both her father, Jack Marchesi and her mother, Emily Marchesi, were heavily involved with the Sub-branch, with Jack also being Country Vice-President. Anne has many memories of the 'old days' when dinner-dances were held at our rooms. When the previous committee nearly folded in 2013, we put out the call out for help - and Anne joined as an affiliate member, along with her husband Rob, one of our service members. After some early teething problems with the new committee, we

		secured a service member as President but had a vacancy for the Vice-President position. Anne was approached and took on the role on condition that no service member was available. Anne has held that position since.
	Robert Bruce Sheppard, RSLWA	Individual Awards Bob Sheppard has worked tirelessly for the veteran community. No task is too big and his dogged support in ensuring a satisfactory outcome for the veteran has gained him a reputation as a battler for veterans and their families regardless of their location and background.
